

ANIQ SALON - MULTI-OUTLET ENTERPRISE SUITE MANUAL

Welcome to your custom Aniq Studio Enterprise operations guide.

1. BILLING & POS checkout workflow:

- Search for a customer using the top autocomplete search bar.
- Add services from the category filter list below.
- Customize flat or percentage discounts directly in the POS sidebar.
- If in Central View, pick a specific branch from the dropdown before checkout.

2. CRM PROFILE & RECHARGES:

- Access CRM Profile to manage client loyalty history and recharge bulk wallets.

3. AI POSTER CREATOR:

- Type a prompt, select preset, choose gradients, and render creative banners.

4. ENTERPRISE RULES:

- Go to Settings to toggle GST tax rules and customize daily membership discounts.
